M MURINNA

The Elegant Charm

MURINNA by Lian Hin is a collection of large-format porcelain panels, meticulously crafted from a refined blend of clays, feldspars, kaolin, and quartz. Through precision high-temperature firing, these panels achieve exceptional durability and versatile aesthetics.

Renowned for its robust resilience against chemicals, scratches, stains, and high temperatures, **MURINNA's porcelain collection** is ideal for diverse residential and commercial applications. From worktops to flooring to wall cladding and exterior facades, it promises enduring performance.

Featuring a non-porous surface that repels moisture, mold, and bacteria, MURINNA panels require minimal maintenance while offering lasting visual

appeal. They facilitate seamless installations with minimal grout lines, delivering an elegant, sleek, and modern appearance that enhances any space, particularly kitchens, bathrooms, and high-traffic areas.

Our Philosophy

Delightful Encounters: Since our establishment, Lian Hin has always valued relationships with our partners and our customers. We create delightful encounters through timely and efficient communication. Our newly minted in-house technology system allows us to track, trace and provide up-to-date information for customers like you, ensuring a seamless experience and peace of mind.

Aesthetic Living: With the fusion of modern engineering and fine craftsmanship, Lian Hin creates products that last. From the source, each slab goes through stringent quality checks before it reaches the hands of our skilled experts. Our commitment to quality extends beyond our strict demands for surface material. We believe in going the extra mile to understand your needs and walk with you every step of the way.

Decision Simplicity: A fuss-free experience is our aim. Choosing a surface should be straightforward, not complicated. Paint your new beginning with Lian Hin's customised offerings. Indulge in our wide range of exquisite products from worktops to feature walls. Leave it to the Lian Hin experts as we cut and design the surfaces you desire.
